

SARA club Minutes for 20 Sep 2012

SARA Pres. Jim N4MOC opened meeting with 14 hams and one XYL present.

The Treasurer was absent, no report given.

Minutes of the Sep 1 meeting were reviewed. Correction with more precise wording of Jim's proposal was accepted without objection. The corrected minutes were then approved as published with the correction included.

Dates for future activities included:

25 Sep the GEMA exercise on .3975

2 October First ARES Simplex net at 1900 hours, on 146.520 initially, then move to 146.715 repeater, then to 146.490 to test range of our simplex capability.

See previous email for details. Leon will be Net Control.

6 October Simulated Emergency Test

13 October Blythe hamfest of Augusta Radio Club

20 October Family Day at Oasis. SARA club will pay for food. Everybody bring fishing gear. Prize for biggest fish caught! Andy's wife Jean will see that the grass is cut! Tents, antennas, available. Bring a radio! Guest hams welcome.

Bob,WN4Q, gave a short program on general method of running down problems with electronic/radio gear, accent on the METHODOLOGY.

Respectfully submitted,

Leon, W4TYM
